

# Moonshine Sunshine

**Foliar Feed**

**Moonshine is a Natural Blend of Plant Extracts**

**Moonshine contains no carcinogens and is 100% biodegradable**

Moonshine Sunshine Foliar Feed is a non-carcinogenic, non-toxic and 100% biodegradable plant stimulant. Foliar feeding is a technique of feeding plants by applying liquid fertiliser directly to their leaves. Plants are able to absorb essential elements through their leaves.

Spray Moonshine Sunshine evenly over the plant and in low light to avoid burning. Use twice per week until fully formed flowers occur on open fruit or until harvest on closed fruit.

**ACTIVE INGREDIENTS:** Molasses 4%, Kelp 4%, Oil Seed Extracts Mixture 4%, Demineralized Water 88 %.

Made in the UK
